ACKNOWLEDGEMENT

We would like to sincerely thank the people who directly or indirectly helped us in completing this project without their help it would be impossible.

We express our hearty gratitude to Rev. Dr Antony Prakash Monterio, Principal of St Philomena College (Autonomous) Puttur for extending all possible help to complete this project.

A special thanks to DR. Vinaya Chandra, our guide and HOD Computer Science, for his valuable guidance. Thanks to all the Professors of the Dept. for the support.

We also express our thanks to our college staff for providing the necessary information. Our special thanks to our dear friends who provide us with their help, support, and genuine feedback that helps us improve at our best.

Finally, we thank our parents, who financially support us throughout the project and provided the support we needed throughout life. We must thank each other at the end of it.
